Re: Site Specific Permit WPS-6438  
Luther Crowe Subdivision, Bethlehem, New Hampshire

Dear Mr. Crowe:

On May 5, 2006, personnel from the Water Division conducted an inspection at the Luther Crowe Subdivision in Bethlehem, New Hampshire. The purpose of this visit was to determine compliance with RSA 485-A:17 and applicable rules promulgated pursuant thereto, and specifically whether the deficiencies noted in our letter of September 29, 2004 had been corrected.

As a result of this inspection, the Site Specific Permit amendment WPS-6438-A dated March 30, 2006, and confirmation that seeding and mulching of the new drainage structures had been completed on May 6, 2006, it was determined that the deficiencies noted in our letter of September 29, 2004 had been corrected.

Thank you for your cooperation in resolving this situation. If you have any questions regarding this letter, please contact me at (603) 466-5910.

Sincerely,

  
Denise M. Frappier, CPESC
